Explanatory notes

Application Form

Applications will only be accepted from candidates completing the enclosed application form in full. CVs will not be accepted in substitution for completed application forms.

Candidates should be aware that all posts in the school involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Please see the job description for the post.

Accordingly this post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as 'spent' must be declared.

The successful applicant will be required to complete a disclosure application form from the Disclosure and Barring Service.

In accordance with government guidelines, we will seek references on shortlisted candidates for teaching and some other posts, and approach previous employers for information to verify particular experience or qualifications before interview. In other cases, if this has not been done, any offer of a post will be conditional upon receipt of satisfactory references.

References should be from the applicant's current or most recent employer. If the current/most recent employer does/did not involve work with children, then the second reference should, if possible, be from the employer with whom the applicant most recently worked with children. Referees should not be a relative or someone known to the applicant solely as a friend.

If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether you have been the subject of any child protection allegations or concerns and if so, the outcome of any enquiry or disciplinary procedure. If you are not currently working with children, but have done so in the past, that previous employer will be asked about those issues.

Where neither your current nor previous employment has involved working with children, your current employer will still be asked about your suitability to work with children, although they may, where appropriate, answer not applicable if your duties have not brought you into contact with children or young persons. The School will only accept references obtained directly from the referee and will not rely on references provided by the applicant or on open references or testimonials.

You should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if the applicant has been selected, and possible referral to the police and/or DfES Children's Safeguarding Operation Unit.
